

Intern Job Opening: Camera Operator

If you have much more than a casual interest in doing studio and field camera work then this program may be for you.

In our program you will work with professional broadcast equipment and will learn to utilize the equipment in the way that fits our workflow for our fast paced broadcast television operations at KPOP-TV.

You must possess the following qualities and capabilities:

- Self-Starter
- Quick Learner
- Team Player
- Flexible Schedule
- Available during the Weekends
- Bilingual in Korean is a plus (optional)
- Related major or academic credits preferred

Additionally:

You have a desire to take the equipment to it's limits and discover what the sweet spots are for each and every camera adjustment.

You strive to develop an eye for editing scenes as you shoot and to consider available lighting conditions.

You know what dynamic range is.

The perfect person for this job strives to build a repertoire of skills that can be deployed at a moment's notice under difficult and once in a lifetime situations to ensure that you bring home the award winning shot every time.

While our professional staff will teach you the skills needed to do this job, you will own the responsibility of refining your skills so you can rise to become the strongest member of your crew.

Your successful efforts will be broadcast on our network in the nation's sixth largest broadcast market in the country and viewed by 2.5 million households.

You will be on your way to becoming a valuable and highly regarded member of the broadcast community that will be well received in any broadcast market.
