

Intern Job Opening: Video Editor

Let your creativity flow while at the same time learning about the technical details that are important to broadcast television.

Video editors at KPOP-TV learn the art of video editing but also get hands on experience in related fields as well. Learning what goes on in all aspects of a production is important so that you can make the best decisions on the pieces you edit.

You must possess the following qualities and capabilities:

- Self-Starter
- Quick Learner
- Team Player
- Available during the Weekends (Saturdays or Sundays)
- Bilingual in Korean is a plus (optional)

Video editing is so much more than just the mechanics of editing, as it includes having the vision to tell a story using everything at your command. It includes having basic command of video and audio and script and dialogue writing. The video editor is one of the superheroes of video and can turn mediocre footage into an award winning presentation.

If you have the desire to tell amazing stories, video editing is one of the paths that can you can take.

Your successful efforts will be broadcast on our network in the nation's sixth largest broadcast market in the country and viewed by 2.5 million households.

You will be on your way to becoming a valuable and highly regarded member of the broadcast community that will be well received in any broadcast market.
